

- AR
- (a) a granular component comprising said ibuprofen medicament and at least a first portion of said carrier material; and
  - (b) a powder component comprising a lubricant material and an optional further portion of said carrier material,

said domperidone medicament being present in either of components (a) and (b), characterised in that the carrier material is substantially free of povidone and comprises at least one diluent combined with at least one disintegrating agent.

---

REMARKS

The above amendment to the claims has been made to correct the multiple dependency of the claims and to put the application in better condition for examination.
